

MoH/HRD-21/2022/1839

April 12, 2022

NOTIFICATION

In pursuant to the Anti-Corruption Commission (ACC) letter no. ACC/DoPE-ADMD/21/827 dated 28th March, 2022, the Ministry would like to inform that the Annual Asset Declaration (AD) for the reporting year 2021 will commence from 3rd May, 2022 to 30th June, 2022. The AD filed within July 2022 will be considered **late declaration** while from 1st August 2022 onwards, the filings will fall under **non-declaration category**. The specific declaration period (**May-June**) is only for this year and from the next declaration year i.e. 2023 onwards, the annual declaration will be from March to April. Therefore, all covered persons prescribed under Annexure I and II of the AD Rules 2017 are required to file their AD within the prescribed period.

Please note that failure to file declaration within the prescribed period (3rd May to 30th June, 2022) and /or providing incomplete information shall invite penalty as per section 38 (4) & (5) of the Anti-Corruption Act of Bhutan 2011 and section 53, 54 and 55 of the AD Rules 2017.

Important Note on AD for the income year 2021:

1. Please declare all the assets and liabilities acquired so far registered in your name (and also of your spouse, children and dependent of they aren't declaring their AD separately). From the next declaration year (Income year 2022), you need not have to declare the same assets and liabilities unless you have acquired new assets and liabilities between 1st January to 31st December, 2022)

2. In order to access the enhanced Asset Declaration System, use this link: <http://ads.acc.org.bt/>

3. Kindly use the default password (pass@123) to login to the system.

For any clarifications to be made, please contact ADMD @ 17589358 or email at galeymo@health.gov.bt
